

Private sale – Factory chrome bumper MGBGT V8 in Bracken - **SOLD in only 2 days on the V8 website!**

Private sale – Factory Chrome Bumper MGBGT V8 in Bracken

Bracken 1152 (1974) bought through the V8 Register in August 2010. With 91,000 miles. MOTs back to 1991 (at 64,000 miles) and five previous owners including an interesting first owner. Autumn leaf interior, front seats in leather, Dunlop wheels, Webasto roof and Moto-Lita steering wheel,

Bought as a family car when my MGA was no longer practical, but my children have now outgrown the bench seat! A lot of professional work undertaken over the last 3 years to make this a stunning ready to use car. Work included: bodywork sorted in 2011 with new panels as necessary and magnificent bare metal respray in original Bracken. Fully waxoiled and sealed. Chrome replaced as necessary. Electronic ignition, 12v conversion (Bosch battery), new rear springs with upgraded rear shocks, continental ContiEcoContact 3 tyres approximately 1,000 miles ago and alarmed.

This car has had the minimum modifications from the original specification, has stunning looks, drives and handles superbly and is a reluctant sale. Work was carried out by Willow Triumph in Darlington. **Price £11,000.**

Location: Durham
