

Private sale – reimported low mileage RV8 in Oxford Blue

Oxford Blue 1994 Japanese spec MG RV8 SARRAWBMBMG000829, tan interior, approx 29,000 miles, with air conditioning. Reimported in 2016 with 29,000 miles, has only been owned by enthusiasts. Has been in Hong Kong where the owner lived and worked since 2008, and where it was the only RV8 he ever saw on the road there. The car is in VGC throughout, original leather and wood trim. Includes original RV8 tool kit roll and driver's handbook. Current MOT. Reason for sale: the owner spends most of his time overseas so the car remains garaged most of the time. It is being looked after by professional MG specialists and has had extensive overhaul since it was imported to the UK, bills available for all work carried out. **£18,500 ONO**.
