### Private Sale – RV8 in Oxford Blue

This RV8 (VIN 1610) is a 1995 car in Oxford Blue, reimported from Japan around 2002. I have owned it since July 2011, and am the 2nd UK owner. 27,000km in Japan, and 20,000 miles in the UK. Original handbook plus papers/records from Japan, and large UK file all held. Always garaged overnight whilst in my ownership. The car has its original windscreen frame in perfect condition. It comes with original wheels, flare, half tonneau, CW Spax adjustable shocks, the RV8 tool roll, original jack and the RV8 workshop & parts manuals. New front discs and pads were fitted less than 4,000 miles ago. New navy hood fitted in 2017, dashboard and door cappings veneer replaced in 2016. Optimax chip, improved petrol regulator & RPI ignition module also fitted. New Continental tyres all round 5 years ago. Aircon fully working. MOT expiry: March 2019. **£19750**. Location: Lancashire. Contact Godfrey on **07780 682592**.
