

Private sale – UK spec RV8 in Nightfire Red

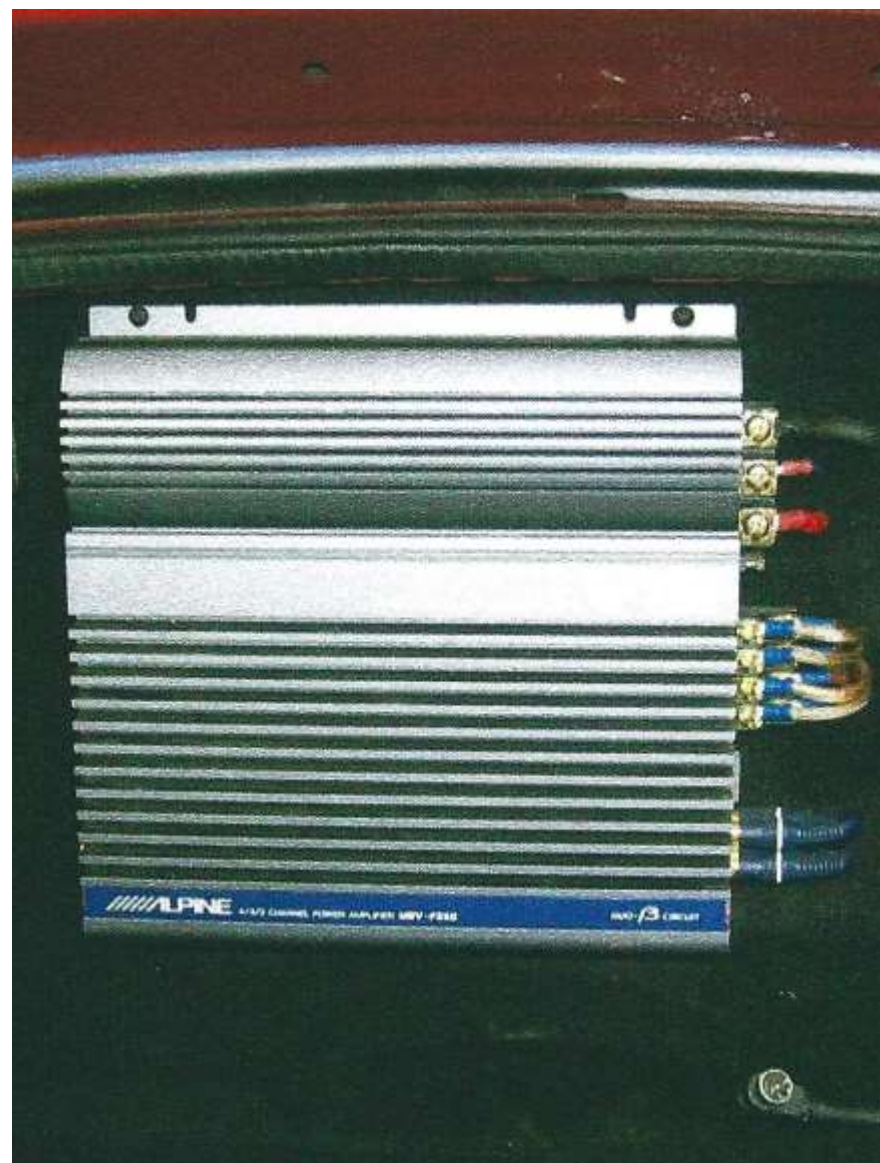

UK spec RV8 in Nightfire Red

94L RV8 is one of only 43 UK models in Nightfire Red with only 1,792 miles since I have owned the car from 2010. Immaculate with all MOTs from 1997 to prove it. Standard 15" wheels replaced with Compomotive Minilite 7J x17" wheels give improved roadholding. Original spare wheel and wheels nuts. Blue Mohair hood, two new catalytic converters, bull bar, half tonneau, Hornet Maxi-1 alarm, expensive stereo system, upgraded radiator and silicone hoses both from Clive Wheatley. The L3 MGB numberplate is included.

I have owned the car since 2010, all service receipts, a BMHIT Heritage certificate and an MOT to January 2019 with no advisories. **£19,950.**
