This form of mandate does not specify any amount. This enables us to use the mandate for a number of years without the expense of obtaining a fresh mandate should the subscription change in the future. Although the mandate is expressed in wide terms it conforms to the requirements of the London Clearing Banks and Scottish Clearing Banks. Direct Debits under this mandate will only be originated on, or immediately after, the first day of the month in which the subscription becomes due. We undertake to advise you of any change in the amount no less than one month prior to the debit being made to your account. Collection of your subscription by Direct Debit does not give the club the right to perform any act which conflicts with the express terms of the Direct Debit Mandate. You may cancel your Direct Debit Mandate at any time by writing to us and notifying your bankers. If a Direct Debit should be originated in error, you should seek immediate reimbursement from us through the bankers or by contacting the Membership Department. We will do everything we can to correct the error as speedily as possible.
