2. Renewal of Subscription by Direct Debit

This form of mandate does not specify any amount. This enables us to use the mandate for a number of years without the expense of obtaining a fresh mandate should the subscription change in the future.
Although the mandate is expressed in wide terms it conforms to the requirements of the London Clearing Banks and Scottish Clearing Banks. Direct Debits under this mandate will only be originated on, or immediately after, the first day of the month in which the subscription becomes due. We undertake to advise you of any change in the amount not less than one month prior to the debit being made to your account.
Collection of your subscription by Direct Debit does not give the club the right to perform any act which conflicts with the express terms of the Direct Debit Mandate.
You may cancel your Direct Debit Mandate at any time by writing to us and notifying your bankers.
If a Direct Debit should be originated in error, you should seek immediate reimbursement from us through the bankers or by contacting the Membership Department directly. We will do everything we can to correct the error as speedily as possible.

Direct Debit Mandate

3. Renewal of Subscriptions by Chargecard

The Chargecard Authority does not specify any amount. This enables us to use the form for a number of years without the expense of obtaining a fresh authority should it be necessary to change the subscriptions in the future.
Debits under this scheme will only be originated not more than 14 days before the first day of the month in which your subscription becomes due. We undertake to advise you of any change in the amount not less than a month prior to the debit being made to your account.
You may cancel your authority at any time by writing to us. It is not necessary to notify your card company as this would only cause a delay in the action being taken.
Account holders normally receive a statement of their account which details debits. Should the Club have debited you in error, you should seek immediate reimbursement from the Club by contacting the Membership Department directly. We will do everything we can to correct the error as speedily as possible.
