

Private sale – Factory chrome bumper MGBGTV8 in Black Tulip

Black Tulip 0127 is one of only five Factory built MGBGTV8s (in the first batch of 30 cars) in Black Tulip. The interior comprises navy blue seats and panels with black carpets. The engine and drive train have been totally rebuilt – the engine 8,000 miles ago and the 5 speed gearbox and rear axle in late 2011. Modifications and additions include: an SD1 5 speed gearbox, 'Minilite' wheels (unmarked) with as new Toyo Prox CF1 195x60x15 tyres, a 'Webasto' sunroof, Sony radio/CD player, Smiths voltmeter & ammeter, Motolita leather steering wheel, K&N filters, Lumenition electronic ignition, Koni telescopic shock absorber rear suspension kit, uprated front and rear anti-roll bars and negative camber front wishbones. New parts (since engine rebuild) include: radiator, header tank, fuel tank and pump, engine hoses, front and rear springs and shock absorbers, clutch plate, brake cylinders, hoses, pads, disks and shoes, batteries, exhaust manifolds and down pipes.

The mileage is 122K. The body is fully waxoiled and undersealed and the paintwork is in good condition with a few blemishes but no rust at all; all chrome is excellent. The road tax expires in December 2012 and the MOT expires in July 2013. The original air filter assemblies are included and the original V8 wheels (in good condition with good tyres) are available with the car for any owner wishing to preserve its original appearance. This is an exceptional and rare car which drives and handles extremely well. **Offers over £10,000.** 200612, updated 280712
