

## Private sale - Rover V8 SD1 engine front cover

### Private sale - Rover V8 SD1 engine front cover

SD1 front cover complete with Harmonic balancer machined with a V belt groove to suit the MGB, 35DLM8 Distributor with a spare new and unused ignition module, a spare new distributor cap, Woodruff key and bolt for crank, oil pump gears and gasket . A special tool to allow the oil pump to be primed prior to engine start up. This was my spare front end but now I am going EFI and distributorless it is no longer required. Prefer collection but postage can be arranged at cost. **£150 or best offer.** 140926
