

Private sale – second production UK spec RV8 in Le Mans Green

MG RV8 (93 K) Chassis no. 252 - the first customer car off the production line. See pages 159-161 of David Knowles' excellent book 'MG V8'. The first production car, no. 251 (now at Longbridge) and 252 were both finished in Le Mans Green - a total of 28 UK cars were this colour. Two owners and 14,300 miles from new, with photographs and all documentation to support this. Totally original and fitted with a new set of tyres, the condition of this significant motor car is as close to flawless as a 22 year old car can be. See <http://www.mgrv8forsale.co.uk> for full details. Inviting **offers over £35,000** for this exceptional car. Contact John Cavendish on 01420 588275 or john@cavendishcountry.co.uk.
