Private sale - one of the finest chrome bumper Factory MGBGTV8s in the UK

Black 0974 first registered in May 1974 and the subject of a meticulous rebuild by Dave Wellings. Since that time the car has run approximately 11,000 miles. The rebuild, which included a brand new engine, is photographically documented, the provenance being enhanced by MOT certificates and tax discs going back to the seventies, service history, supporting invoices for parts and labour etc. It even has the original University Motors rear window decal, and tax disc holder. Included in the sale are a selection of spare parts and memorabilia relating to this truly remarkable car. The car has an MOT until May 2011 and is taxed to October 2010. The asking price is **£13,000**. (5.8.10)
