

Private sale – Factory chrome bumper MGBGTV8 in Harvest Gold

Private sale – Factory chrome bumper MGBGT V8

Harvest Gold 0829 (1973) with a recent Webasto roof, has had considerable work carried out over the recent past including a completely rebuilt engine, gearbox and new clutch by Robin Lackford Engineering, Stainless steel exhaust and manifolds, good wheels and tyres, Spax dampers all round all this cost £9,000 two and half years ago. It is a great car and will be much missed. Some spares such as new door and rear hatch locks and handles, new discs (not required at present), rear bumper, history file showing an expenditure of over £25,000 in total, Reason for sale, I am nearing completion of an MG Mquette. Taxed and tested ready to go. Price **£8,750** or near offer. (11.8.10)
