### Private sale - V8 Roadster conversion

**Midnight Blue 5561** GHN3/3128679 was built 15 years ago as a track car but never raced. Spec includes a 4.5 litre V8 engine, Vulcan unleaded heads, 4 barrel Holley carburettor, Mallory ignition, Motobuild exhaust and much more. RV8 louvred bonnet, five Minilites shod with Yokohamas and OMD race seats. A new radiator, starter motor, overdrive and clutch have recently been fitted. This is a "raging bull" of a car with an exhaust note like a NASCAR racer rather than a classic MG, but utterly reliable and very fast. All receipts and MOTs retained. Road tax exempt and 12 months MOT. The price includes the "MG" number plate recently valued at £2,000. Offered at **£9,750** ono. (3.4.09)
