Register Tour 2025

From dusk till dawn – 20,000 Years between
Neanderthal to the End of the Coal Age

2025 Register Tour to Germany

The MG Car Club V8 Register is pleased to announce the 2025 Register Tour to Germany. This event will be organized in cooperation with MG Car Club Deutschland. The tour is themed „20,000 Years between Neanderthal to the End of the Coal Age“.

Provisional Schedule:

Wednesday, September 17th, 2025: Participants will arrive at the Van der Valk Hotel Moers, a venue well-known to attendees of our previous tour to Germany. We will gather for a welcome reception at the hotel restaurant.

Thursday, September 18th, 2025: Excursion to Kloostergarten Kamp Lintfort.

Friday, September 19th, 2025: Visit to the Rosengart Museum, featuring Austir 7 licensed vehicles, followed by a trip to lignit open cast mining (Braunkohle Tagebergbau), offering a unique perspective on the relationship between humans and nature.

Saturday, September 20th, 2025: Back to the Roots – After visiting the Classic Remise car display at Duesseldorf, we will drive to Neanderthal to explore the origins of human history.

Sunday, September 21st, 2025: Farewell breakfast.

Daily driving will cover approximately 80 to 90 miles. Moers is located about 15 miles southeast of Dunkirk or Hoek van Holland. Accommodations will be secured from a pre-registered room block.

Please inform the event team if you are interested in participating (this is not a formal booking, but rather to help us assess capacity and make arrangements). You will receive an email with all registration details by the end of 2024 or the beginning of 2025.
