13:10 -14:00 LUNCH BREAK

14:00 MGB GT and MGF anniversary parade

On Sunday, we will aim to get all MGBs into the arena from across the model's two-decade production run to celebrate with the MGB GTs. Launched in 1965, the MGB GT appealed to an emerging market of discerning sports car buyers who wanted more comfort and luxury with their MG. We celebrate the evolution of the MGB GT and its anniversary.

Just when the world thought they would never see another all-new MG sports car, the MGF arrived in the wake of a revival of interest in sporting two-seaters. A facelift came later, but the original defined affordable sports cars in the 1990s.

14:30 – Star cars

We meet a Metro 6R4 X-Power ZR and any other star cars that catch our eye.

15:00 – Pride of Ownership & Awards

The entrants hoping to take away the top honours will parade in our arena and are interviewed whilst the judges deliberate.

15:30 – Arena closes
