

Double Dark Green Umbrella

Wanted Double Dark Green Umbrella

John Brown says “this umbrella was given to EEOTY Norway 2009 entrants but I left mine at the EEOTY event at Aviemore in 2013 and never found it again. It was a perfect fit as a temporary cover for an RV8 cockpit. Does anyone know of one available?”

Ola Thygesen, Chairman of the board of the Norwegian MG Car Club, sent a helpful reply to an email seeking any news of available Double Dark Green Umbrellas in Norway saying “For many years there have been questions about the umbrellas we handed out in Geiranger 2009. Not many people have an extra one. I am sending you this link which shows an almost identical umbrella”.
