

Private sale – low mileage MG6 GT SE in Platinum Silver (Metallic)

MG6 GT SE (Aug 12) in Platinum Silver with less than 6,000 miles and in excellent condition. SE equipment includes satellite navigation, air conditioning, rear parking aid and cruise control. The turbocharged 160ps four cylinder petrol engine, five speed manual transmission, well developed McPherson strut suspension and multi-link rear suspension give it a nimble feel. It has 17" twist sports alloy wheels, power steering, rear aero spoiler, fog lights, LED rear lights and fabric trim seats. It's a comfortable car with good roadholding and handling from the well developed suspension package and supportive seats. It has a large 472 litres of luggage space even with the rear seats up, one of the largest boot spaces for a car of its class. **£9,950.**
