

## Pop an askMID.com reminder card in your wallet or credit and debit card holder

**Three simple steps for a roadside check of a third party's insurance details after an accident**

1. Visit [www.askMID.com](http://www.askMID.com) from your smart mobile device
2. Enter:
  - Your email address
  - Your vehicle registration number
  - The third party's vehicle registration number
3. Receive confirmation of insurer and contact details on screen and to your email address)

Cut out around the dotted line, fold down the middle and pop in your wallet or credit and debit card holder – it will be a useful reminder if you need to do a third party insurance check after an accident.
