

Entry arrangements for the MG-Triumph Show at Stoneleigh on Sunday 21st February 2016

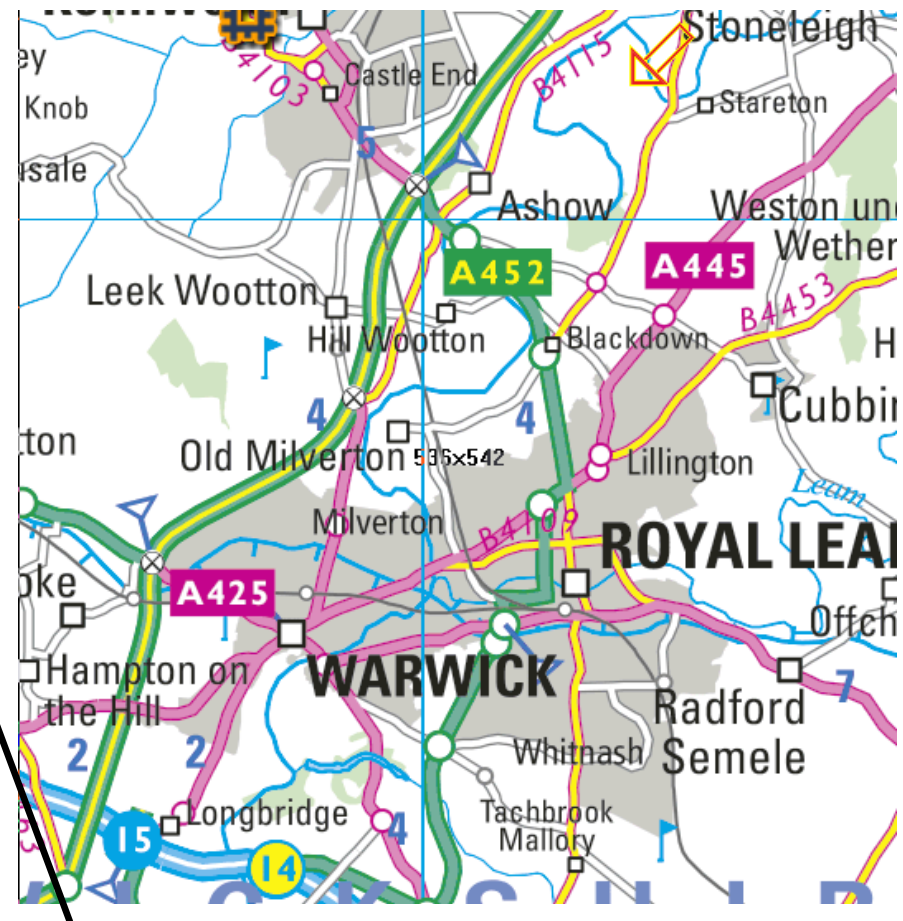

Tony Lake called Live Promotions this morning and says “the lady I spoke with did talk to the parking man. She then told me that the **Main Gate** and **Gate 3** will both be open on Sunday 21st February 2016 providing access to the showground”.

Coming from the west and North head for the B4115 and Gate 3.

Approaching from the East and South make for the B4113 and the Main Gate.

Do not enter Stoneleigh village from either road, it creates havoc and on Sunday morning makes attending church very difficult. I suspect that is why the Main Gate will be open this year.

Note: this is the only information we have been able to obtain to clarify the entry arrangements for the MG-Triumph Show at Stoneleigh so members planning to go will be reassured the chaos at the Main Gate last year has been addressed.
