

## MGLive! 2016 from a V8 enthusiasts' viewpoint

Carl Coxall, Ken Clayton and Nic Houslip by the V8 Register stand in the Main Marquee

Caledonian Centre's stand won the "Heritage" theme competition with a concept which needed some thought and imagination! A plastic tube with red flashing lights was a flow of blood from an SVW MG to an MG3 and then on to a heart – the message was: **one heart - one spirit - same blood – new body!** And overlooking the proceedings a life-like Cecil Kimber. The Caledonian team were in there scrubs including Robert MacGillivray second from the left and Peter Jung 4<sup>th</sup> from left are V8 members.

Back of the V8 Register display in the Main Marquee.

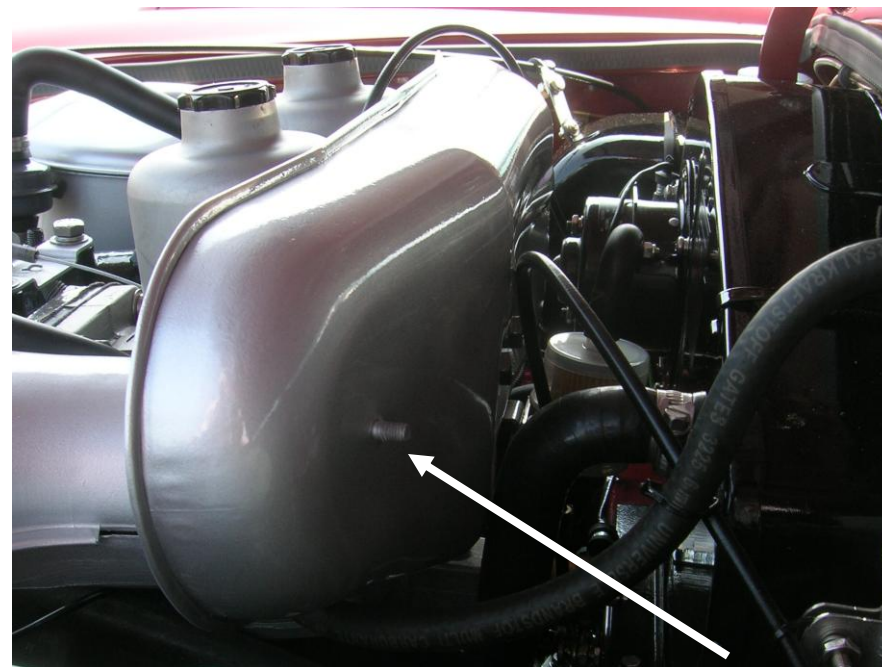

Four MG V8s in the concours – beautiful sunshine on Sunday.

## MGLive! 2016 from a V8 enthusiasts' viewpoint

David Halliday's Factory MGBGT V8, formerly owned by the late Ron Armstrong

Exposed thread of a bolt through the airbox – it needs a nut and serrated washer!

Does anyone know the member who came to MGLive! 2016 with this MGBGT V8?

Andy Knott, Safety Fast! editor, a real MG enthusiast
