RV8 raced by the Factory was on display in the V8 Marquee with fellow members seated nearby enjoying the free tea, coffee and homemade cakes.

RV8 on display in the V8 Marquee to mark the 25<sup>th</sup> anniversary of the launch of the model in 1993. Refreshments and seating were popular throughout the weekend.

Weather was dry and warm but occasionally overcast and humid with an easterly breeze. The V8 Marquee was large offering comfortable seating and refreshments over the two days.

The "village" area of marquees manned by various Centres and Registers was popular – the V8 Marquee is on the right, conveniently located adjacent to the V8 Parking area
