V8 Lincolnshire Tour 2019

Thursday 12th to Monday 16th September 2019

For the next Tour in this successful series we visit Lincolnshire, England's second largest county and probably the most underrated. With contrasting scenery from the open flat fenlands to the largely unknown Wolds, the County has a wealth of history to appreciate. Frequented by Romans, Vikings, Normans, Georgians, and Victorians, it is also widely referred to as 'Bomber County' for the 45 operational airfields which existed by 1945. The Tour is planned to give a taste of some of the attractions.
