

Layout at Snetterton Circuit for the MG Car Club's race meeting on Saturday 5th & Sunday 6th September 2020

Howard Gosling says that "during the online Race Officials' meeting on Wednesday evening 2nd September we were told that as the bar area of Tyrells Restaurant is reserved for the Race Stewards' use and that **Tyrells Restaurant will NOT be open to the Public (visitors/spectators) at the Club's race meeting this weekend.** There is a **snack bar near Murray corner** and that is for the Public (visitors/spectators)".

The chart above shows you the entrance from the A11 via the ticket control point, then a bridge over Bentley Straight with the snack bar ahead and the parking area alongside the entrance route. The snack bar will offer food and drink as take-aways.

Snetterton Circuit, postcode for satnavs: **NR16 2JU**
