

## Additional Non-MGOT Trackday at Goodwood

### Additional Non-MGoT Day at Goodwood

Hi Folks, a good friend of mine who is one of the ARDS Instructors at Goodwood circuit has secured another very late cancelled day at Goodwood on Wednesday 23rd September. Some of you booked onto John's last day in July and he asked me to share this with you all again. The cost is £250 per car which is much cheaper than the usual summer Goodwood days which are £449. There will be 30 cars and open pit lane all day. The booking details are:

This is a great opportunity for a bargain Summer Track Day. Probably the last one I shall run this year.

Wednesday 23rd September

98DB Static Noise - 96db Driveby.

Rules will be:

Sensible social distancing.

Only paid for cars will be admitted to the track.

Entries will be getting one bagged lunch included.

Tea, coffee and toasted sandwiches will be available from the on site horse box vending facility as the JSP will not be open or available.

There are no indoor facilities but the toilet blocks will be open and they are plentiful.

We will all need to observe the prevailing social distance guidelines.

If we are locked down again before the 23rd I will reschedule the day at the earliest opportunity.

I'm afraid there is no time to take deposits and I will only be able to do this if there are sufficient numbers. If you are in the happy position of being able to do it and have friends who would like to, please send this mail onto them and if they pay as below tell them to email me so I have their contacts. I don't have time to guess who they might be i'm afraid.

I'll take the entries in the order of monies received and limit the number of cars to 30, so that there will be more track time than you will need.

Please now pay £250 (includes one lunch) by bank transfer to

Account name: J Willcocks

Sort Code: 09-01-27

Account Number: 45461581

Please put your Surname as the payment reference. The gate Marshall will need it to grant access.
