

A CAR fan bought back his MG nearly 30 years after swapping it.

Ex-surgeon Steve Ellams, 69, paid £2,500 for the GT Jubilee in 1990 and kept it for three years.

He spent double that to get it off Trophy Cars, Lincs, after spotting it in Classic Car Weekly.

After a £3,500 refit the 45-year-old motor is worth £11,000.

Steve, wed to Jackie in Leeds, said: "We had our first date in it. Even she said 'Welcome home'!"
