

Private sale – MGBGTV8 in Damask for sale

Private sale – MGBGTV8 in Damask for sale

1974 Factory car (VIN 1515), must be one of the best and has been in my ownership for over 10 years and with previous owner for longer. It is reluctantly for sale as I find myself using the "old" B more often. She has been maintained fastidiously with no regard to expense and has many performance enhancements. Re-built and maintained by: Beer of Houghton. Uprated engine, five speed gearbox and lots more. A good home is paramount and interested parties are encouraged to contact me for full details and the asking price.
