

Private sale - Japanese spec RV8 in Woodcote Green

Woodcote Green 1302 (95 M) is a beautiful clean example imported from Japan in 2005. Owned by an enthusiast in Japan and myself since being reimported to the UK. It has covered only 37,000 dry miles and always garaged only being used in the summer months. Clive Wheatley has maintained and fully serviced the car which has had new Michelin Pilot Tyres, Koni Shocks and an MPH speedo fitted. An Optimax chip and a new battery have also been fitted. The interior and hood are original and in good condition with original over mats. The paintwork, alloys and bodywork are unmarked. The spare is in perfect unused condition and the tool roll is complete. There is a half tonneau cover with supporting frames. Spare keys and two immobiliser blips. To be sold with a full MOT and six months tax. This car is a dream to drive and is for sale reluctantly at **£13,995**. 130812
