

# CALEDONIAN CENTRE FIVE DAY HIGHLAND TOUR

Friday 21st to Tuesday 25th August 2009

In our quest to introduce new Events, the Centre is organising a Five Day Tour of the Highlands on the above dates. The idea behind this Event is to take in areas not previously covered and to give outlying members who do not normally attend the one day runs because of the distances involved, the opportunity to join in by taking the run to them.

The format would be a "Jump on - Jump off" event, you will be able to join the run at any of the daily start points, it would be your decision whether to do one, two, three or more days. The choice is yours. Simply indicate on the entry form which day you wish to start on and for how long.

The Event will start in the Stirling area touring around the North of Scotland and finishing in Creiff. You will have the opportunity to drive the old 'Rest and be Thankful', and the 'Pass of the Cattle' on the Applecross peninsula, plus many more new and exciting roads with fantastic views as we head north.

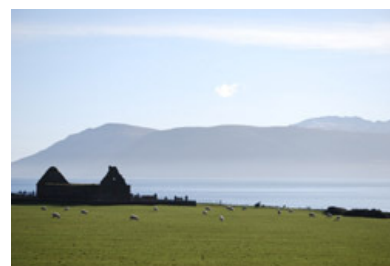

This will be a fairly informal Tour which we will offer shorter routes on some of the longer days if you feel the mileages are too much, but we have tried to provide the most picturesque and interesting routes as possible.

We will offer Hotel accommodation each night and will endeavour to keep the costs to around the £50 to £65 per person per night Dinner, Bed & Breakfast or alternatively if you wish you can make your own accommodation arrangements.

**As numbers on this Tour will be limited please book early to avoid disappointment.  
Entries will close on 15th July or when the maximum number is reached.**

Proposed start points and mileages. Entry Fee £5 for the first day and £1 for each additional day (per car)

Day 1	Friday 21st	Stirling to Ballachulish	150 miles
Day 2	Saturday 22nd	Ballachulish to Ullapool	205 miles
