

Norwegian MG enthusiasts near Oslo

Left to right: Victor Smith (V8 webmaster on a visit to Norway), Rolf Lindholm (MGBGT V8 and many other classic cars) and Marcel Vanberg (MGA Twin Cam FHC and a ZB) and Halvor Asland (V8 Roadster and an MGBGT under conversion to V8 power plus three MGA 1500 Roadsters, a ZA + ZA + ZB Varitone, TR6 PI and an Allegro with 20 k miles) in Halvor's workshop.

Two V8 engines waiting to be installed in Halvor's MGBs. The Tartan Red '1967 MGBGT will have the 4.6 Rover V8, an LT77 gearbox, an MGC rear axle, Princess 4 pot calipers and Peugeot 604 front brakes. The 1977 NAS spec MGB Roadster in Tahiti Blue will have the TVR 500 engine, Borg Warner T5 gearbox, Hoyle Eng front and rear suspension upgrades and more.

Photos from a meeting with three MG enthusiasts at Halvor Asland's home in Vollen near Oslo. Halvor is in the middle of a major project to upgrade his workshop with serious levels of thermal insulation, double insulation on the doors and other comforts which include a heater and underfloor heating!
