Copy of MG V8 Twenty-One Years On . . . offered at auction

A V8 member has a copy of the book which he would like to sell and has suggested it might be auctioned on the V8 website. A V8 Online Auction has been set up with a straightforward procedure - you have to register as a Bidder online, receive a Personal Bidding Code and then post your bid on the V8 Bulletin Board under the thread Online Auction of a V8 Book. The start and closing dates for bids is set out at the head of that thread. <http://www.v8register.net/subpages/auction05index.htm>
