

## Mini survey measurements form

The measurements and data we need for the online mini survey

Hood hoop dimension (mm) - front

Hood hoop dimension(mm) - middle

Hood hoop dimension (mm) - rear

Diagonal across side window (mm) - offside

Diagonal across side window (mm) - nearside

Tickford hood frame number

The serial number plate can be found between the offside outer hood side frame and the hood (in the area adjacent with the headrest) and is better seen if the hood is semi-erect and slack.

VIN for your RV8
