Private sale – Heritage MGB Roadster bodyshell

The MGB Roadster bodyshell is an early Heritage shell from 1990. It has been modified to take a V8 engine and gear box. The paintwork is in primer. There is a small dent/scratch on the top of the off side front wing, other than that it completely sound having been stored in the rafters of my garage for the last 20 years. I enclose six photos which give a guide to the condition of the shell – see page 3 for a full page copy of the photo from the offside front. Buyer collects. I am looking for about **£5,000** 170712
Location is Glasgow. Tel: **01360 312310** (home) and Mob. **07711 299 667**
