Wanted - RV8 Access Cap – ZKC6442

Andreas Adam, an RV8 enthusiast in Germany, has tried to get a replacement part – ZKC6442 Access Cap – from the usual specialist RV8 spares and replacement parts providers but without success as the part seems to be out of stock or even NLA. Does any fellow RV8 member have a spare RV8 Access Cap they could supply to Andreas or any information as to any supplier who might have one?

Please contact: Andreas Adam at a.adam@andreadam.com or by telephone on +49 1621 377994
