5 October 1988.

Letter of confirmation of work done to and valuation of
MGB V8 Roadster KSA 674P

The vehicle has undergone total body restoration using genuine BL panels - new front wings, doors, rear wings, sills etc. including bare-metal respray. All internal cavities, box sections and underside have been primed, painted, undersealed and waxoiled. Brakes, steering and suspension have been completely renewed to V8 specification. Engine, gearbox and diff have been totally reconditioned and are of authentic V8 specification, being of correct ratios etc. All engine bay ancillary equipment has been removed, reconditioned/renewed and replaced.

All chrome work, internally and externally has been renewed. All rubber items i.e. bumpers, seals etc. have been renewed. Carpets are of a luxury type, black trimmed with red. Internal panels have been renewed (black/red piping), seats and headrests are of black leather material with red piping.

A new front screen and associated seals to suit frame have been fitted. All instrumentation has been renewed and re-calibrated to V8 specification. All new electrics, lenses, etc. have been fitted.

There is a new double duck canvas hood with zip rear window fitted. The car is fitted with five new MINITORE alloy wheels complete with five 185 HP 1490H Avon Radial Turbeseal tyres plus spare wheel carpet cover.

Total valuation of this car is at least £11,000.00 (ELEVEN THOUSAND POUNDS).
