

CALEDONIAN CENTRE

FIVE DAY HIGHLAND TOUR

Friday 6th to Tuesday 10th August 2010

Following the success of last year's Five Day Tour the Centre has decided to stage the event again this year with a revised route. The objective of the Tour is simple, drive your MG in the company of like minded enthusiasts, on quiet roads in the awesome scenery of the West Highlands. Enjoy a holiday atmosphere by choosing to complete the entire event or, if it is more suitable, join us at one of the daily start points and do as many days as you wish.

Last year saw many enthusiasts from all over Scotland take part, the group were enhanced by some of our English friends who travelled a considerable distance to offer their support for our venture. It would be good to see a repeat of this camaraderie on the 2010 Tour.

The Tour will start on Friday 6th August from the Loch Lomond National Park, and follow the itinerary below. Again we hope to have the opportunity to drive the old 'Rest and be Thankful'.

Due to the difficulties in finding suitable accommodation, it is proposed to limit the number of places to 25 cars, but we would be delighted to welcome any local Members to join the Tour as it meanders around their area. Further details of the route will be posted on the Events page of our Web Site at a later date see www.mgcaledonian.org

The Entry Fee will be £10 per car for the first day and £5 for each subsequent day. Cost of Hotel accommodation is shown below.
