

## UK Spec RV8 for sale

### Private sale - UK Spec RV8

**Black 0369** - first registered in October 1993, this is a very rare example in black and only 12 were produced in UK specification. The car has covered 23,000 miles and has always given great pleasure, especially on two wonderful trips across the back roads of France - V8 motoring at its best! The car is in very good condition and comes with new tyres, the original tool kit and a full tonneau cover. Winter covers are included in the sale. It has always been garaged and has been regularly serviced. It is taxed until September 2010 with an MOT until July 2010. Personalised plate is not included in the sale. Offers around **£13,750** please. (18.8.09)
