

## Private sale – UK spec RV8 in Oxford Blue

**Oxford Blue 0312** (93) is a standard UK spec car with 52,000 miles, no stone chips or obvious rust. Wheels are all good but not polished. Maintained by Clive Wheatley with a new windscreen surround, new manifolds, new rear exhaust, new radiator, new shock absorbers, new pulley cover, new battery, a Clive Wheatley windstop and a Starkey gear knob with the original available. Original over carpets but no tool roll. Recent Clive Wheatley service with an ignition amplifier. Folder of past bills and MOTs and an original driver's manual. Currently untaxed on a SORN with an MOT to October 2011. Reluctant sale because of job commitments, spaced required, little use and have another MG. **£16,500.** 311210
