Private sale – reimported RV8 in Woodcote Green

Woodcote Green 1022 (94) Japan specification with 64,000 miles (original km speedometer installed) reimported in 2001. Replacement screen and all wood replaced by Clive Wheatley, along with Koni shocks. New water pump, exchange alternator and battery and audio unit with iPod connection. This has been a well used vehicle and whilst certainly not a renovation project, it does require some TLC. Such cars are only worth what someone is willing to pay and I am therefore open to genuine offers. The car is based in Warwickshire, has an MOT, tax and insurance and can be viewed at any time.
