New RV8 hardtops available again

Many RV8 enthusiasts who have tried in vain to buy an RV8 hardtop in the secondhand market will be delighted to hear Clive has succeeded in obtaining a small batch of remanufactured RV8 hardtops using the original Krafthaus moulds. These units incorporate some useful improvements and are double skinned, fully lined in either cloth or leather, have an original pattern wiring loom, interior light, a new heated rear window, all the fixings and are finished in a Factory colour of your choice.

Available for August delivery at £2,200 including VAT. Delivery is extra although many UK members will prefer to collect their hardtop by having it fitted to their car and then returning home. The leather headlining is £300 extra. A reproduction of the original storage frame is likely to follow. The initial batch of new hardtops will be available from early August 2008 so if you want to secure one please contact Clive Wheatley mgv8parts as soon as possible to place an order and lodge a deposit so you get your colour in the first batch.

V8 Yorkshire Tour 2008

The next V8 Tour in the popular series is over the long weekend from Friday 26th to Monday 29th September 2008 and will be based at the Ripon Spa Hotel at Ripon in North Yorkshire. Ripon

Spa Hotel is a beautiful Edwardian building only five minutes walk from the ancient city of Ripon and its magnificent cathedral. Standing in landscaped gardens, the hotel offers good Yorkshire fayre, real ales, log fires and traditional hospitality. It is ideally placed as a base for touring the Yorkshire Dales. The tour has proved very popular and as the bookings were getting close to the capacity of the hotel in early June, the online bookings system was suspended. Please telephone the tour organizers, Robert and Stella Crowson to check availability on 01765 620340.

RV8 sales have been lively

Sales of RV8s on the V8 website have been very lively this Spring with several RV8s selling in between only 6 to 12 days of being posted. Advertisers get a prompt posting of their advert, an additional webpage with as many photos as they could reasonably need and their advert runs on at the end of the month at no additional charge until it is sold. It is clearly a service both buyers and sellers find very convenient and good value too. Full details on the V8 website.

< RV8 on the Prix des Alpes with sensational scenery.
