

MGB presents the world's biggest sunroof

X 1 of 1

MGB presents the world's biggest sunroof.

A super sunroof, a fully convertible top that opens wide to let the sunshine in; it's standard equipment on every 1976 MGB. Along with the classic look and wide-open performance that have made MG famous for 50 years as one of the world's great sports car bargains.

MGB holds the Class E Championship in the Sports Car Club of America's national competition, as it has for four of the last five years.

Performance like this can't be faked: you can't fool a finish line with a flashy paint job or a fancy name. MGB's authentic sports car performance and crisp handling grow naturally out of standard equipment like radial tires, front disc brakes, short-throw four-speed stick shift, rack and pinion steering and a race-proven 1798 cc engine.

If what you're driving makes you forget what fun is, take one MGB, fast. For the name of your nearest MG dealer call these toll-free numbers: (800) 447-4700, or, in Illinois, (800) 322-4400.
