Private sale - low mileage UK spec MGRV8 in Oxford Blue

MGRV8 Oxford Blue 1332 bought from MG Dealer Caffyns 24/1/95 invoice in the file a private sale of an exceptional condition RV8 number plate M23 MGR. One of only 36 UK built cars and only two previous owners. With only 15,722 miles from new and with a full service history and MOT. The overall condition of the interior trim, body work, wheels and wood is excellent. It has been maintained by Fisher MG for many years who own Hoyle Suspension. They fitted both front & rear Hoyle independent suspension with four wheel disc brakes which transforms the ride and handling. It's also fitted with EZ power steering which makes this car a joy to drive car. It has a new set of tyres fitted due to age and also a high torque starter motor. The car has been rust protected during its life time. A wind deflector comes with the car. No advisories on the MOT from new. A genuine reason for the sale. **£25,995**
