

List of specialists who carry out MOT tests for classic cars like MG V8s

## Reports on MOT testers providing a good service recommended by V8 Register members

### J & P Motors

126-128 High Street  
Hampton  
Middlesex TW12 2ST  
0208 941 9846

[jandpmotors@btconnect.com](mailto:jandpmotors@btconnect.com)

[Website](#)

**Location:** not far from the north side of Hampton Court Bridge, just west of Kingston upon Thames.

**Recommended** by Victor Smith who says they are a small team of MOT testers, one of whom has an MGB Roadster, who take good care of classic cars.

### Brown & Gammons

18 High Street  
Baldock  
Hertfordshire SG7 6AS  
01462 490049

[sales@ukmgparts.com](mailto:sales@ukmgparts.com)

[Website](#)

**Location:** on the High Street in Baldock just off the A1. Mainline railway station within convenient walking distance.

**Recommended** by Ian Quarrington who says they service and MOT test Marion's RV8 and my other classic cars.

**Recommended** by Dugald MacNeill who says it is desirable for Historic cars to have an annual MOT. I always combine an MOT with a service at Brown & Gammons as many minor fails are picked up and fixed immediately.

### Langor Bridge Garage

Fakenham  
Norfolk NR21 0WL  
01328 829252  
Email

[Website](#)

**Location:** just outside Fakenham on the main A1067 Norwich road.

**Recommended** by Des McKay

### John's Motors Ltd

The Old Forge Garage  
Foster's Booth  
Towcester  
Northamptonshire NN12 8LB

[sales@johnsmotors.co.uk](mailto:sales@johnsmotors.co.uk)

[www.johnsmotors.co.uk](http://www.johnsmotors.co.uk)

01327 831191

**Location:** on the A5 in the village of Foster's Booth, 4 miles from Towcester.

**Recommended** by Tony Lake says "John Milosevic of FJ fame is often seen at the Goodwood Revival and Silverstone. Very sympathetic and knows how to fit V8 wheel nuts! Prepares all his own race cars, I trust him, he knows his way round classics".

### R N Upton & Co

32 Tamworth Road  
Two Gates  
Tamworth  
Staffordshire B77 1EG  
01827 260251

[rnuptions@hotmail.com](mailto:rnuptions@hotmail.com)

<https://www.rnupton.co.uk/>

**Location:** on the A51 south of Tamworth and just north of Two Gates on the A5404 (Watlington Street).

**Recommended** by Keith Belcher who says "it's a former Jaguar specialist that has looked after many classics over the last 50 years and rebuilt many. They have looked after my MGBGT V8 and MOT'd it for 30 years".

### Mosslea MoT Ltd

36 Mosslea Road  
Bromley  
Kent BR2 9PS  
020 8460 6545

<http://www.mossleamot.co.uk>

**Location:** just east of the A21 where it passes Bromley Common. Access via Victoria Road which joins the A21 next to the Toby Carvery.

**Recommended** by Peter Berry who says "Mosslea have MOT'd my V8 for many years now and know their way around classic cars. They are pragmatic when it comes to older cars but are very fair at the same time. Their costs are also very reasonable. Booking in advance is highly recommended".

### Genesis Automotive

Unit A1, Beaver Industrial Estate  
Midhurst Road  
Liphook  
Hampshire GU30 7EU

[genesisliphook@aol.com](mailto:genesisliphook@aol.com)

[Website](#)

01428 727117

**Location:** just off the Midhurst Road to the south of the centre of Liphook and close to Liphook station.

**Recommended** by John Anthistle who says “it’s a two-man general garage where the owner is a classic-car enthusiast and carries out all MOTs. Caring and careful he has tested all my cars for over 20-years”.

### **Broadway Garage**

Suffolk Road  
Andover  
Hampshire SP10 2JF  
01264 352489

[info@andovermot.com](mailto:info@andovermot.com)

[www.broadwaygarageandover.co.uk](http://www.broadwaygarageandover.co.uk)

**Location:** just off the B3402 (Weyhill Road) and not far from the A303.

**Recommended** by Mike Lane who says “the MOT testers have always taken great care of the MOTs and servicing of my MG cars over the years. They have always kept me informed of any necessary work and costs”.
