

V8 REGISTER MG CAR CLUB SECRETARY REPORT FOR AGM JUNE 2023

- 1) I was co-opted to the Committee in February 2023, hence this report covers only the period Feb to June 2023 and is therefore by its nature, brief. It covers only my role as V8 Register Secretary and not any other roles which I also hold for the MG Car Club.
- 2) This is my second opportunity to represent the Committee, the first period was approx. 2005 through to 2013
- 3) During this year I have supported the new Chairman Tony Smith in familiarising himself with the Register and in addition have offered continued support to the other Committee members with administration for Committee meetings and for this AGM.
- 4) I have volunteered to help at the MGV8-50 event at the Dog House at Frilford in August, meeting and greeting members arriving for lunch.
- 5) The V8 Curry 2023 at Knowle was organised by this Secretary with support from Paul Plummer. Although attendance was not as high as previous years, it was a very enjoyable evening which preceded the Stoneleigh spares event the following day.
- 6) I have liaised closely with the Webmaster, Victor Smith, in bringing reports and nominations for this AGM to the meeting plus posting them on the website to allow the maximum number of V8 enthusiasts to have visibility of them
