What update options are available?

Your update option depends on the last volume you have in the set of RV8 Workshop Notes (RV8NOTES) you have previously purchased from the V8 Register.

Updates Option 1

Where the last volume in your existing set you have previously purchased from the V8 Register is any volume up to and including Volume 10, you can buy a **new full set comprising all the 12 volumes of RV8NOTES up to and including the current Volume 12 plus a Contents and a detailed Index document**. For a current Member who has previously purchased a full set of RV8NOTES you can buy a **new full set at a special reduced price for Members**. The full set of RV8NOTES is supplied on a Twister USB memory stick with in PDF format.

Update Option 2

Where the last volume in the set of RV8NOTES you have previously purchased is either **Volume 11 or 12** you can buy a **12 month updates subscription service** which provides you with a personal webpage on the V8 Website with links to Volumes 11 and 12 so you are able to download updates of the following documents in **PDF** format and **keep your set of RV8NOTES up to date**:

- > **Volume 11** - download any notes you do not have in **Volume 11** of your existing set of RV8NOTES and also
- > **Volume 12** - download all the new notes that are added to **Volume 12** as the series grows with further notes contributed by fellow members.
- > **Volume 13** – when Volume 13 is launched in the next 6 to 9 months you will be able to download updates as that volume grows with new notes.
- > **Contents** – download a copy of the **Contents listing document** with a list of the complete contents of the series as it is updated with new notes.
- > **Index** – download a copy of the **detailed Index** we maintain for the RV8NOTES series which enables you to look up topics and trace any notes.
