

V8 Website packed with useful information for MG V8 enthusiasts at <https://www.v8register.net/>

Our focus is on a good flow of new **Content** with news and articles which are interesting, lively and topical for MG V8 enthusiasts. The best way to see what's new is to go to the **Recent Changes** webpage where there are links on a daily basis to all NEWS items and other new material posted to the V8 Website. So it's the place most visitors click on to see "what's new"! See the [Recent Changes](#) grey roll-over link in the strip at the top of the homepage.

#### Top strip of roll-over buttons

Using these roll-over buttons you can reach key parts of the website information in one or two clicks including [V8 Bulletin Board](#), [Technical Support](#) with links to the various manuals, [V8 Spares for Sale or Wanted adverts](#), [Cars for Sale adverts](#), the rolling [V8 Events Calendar](#), the [Online V8 Shop](#) and an online [Registration form](#).

#### Central scrolling panel with photos of the various MGV8 models

Clicking any of the scrolling images takes you to a profile of each model – you can also reach the model profiles via the strip of MGV8 images at the foot of the homepage. [MGV8 profiles](#)

#### Strip of grey roll-over buttons at the foot of the homepage

These are the admin links to [Contacts](#) and information about the [MG Car Club](#).

#### Four central panels

In one or two clicks you can reach useful information and advice on the V8 Website.
