MG & TRIUMPH 100**

The “**Motoring Spectacle**” award at the 2023 RAC Historic Awards on Thursday 23<sup>rd</sup> November 2023 was made for the superb major MG & Triumph 100 anniversary event at Silverstone in June 2023. Receiving the award for the MG Car Club were **Lorraine Noble Thompson** (Club Vice Chairman and V8 Register member) and **Michel Murkin** (MG100 team leader & Club director).

Reflecting on the evening Lorraine said “it’s a highly prestigious award I don’t think we have ever won before – it recognised the huge amount of work that went into planning and managing the successful large weekend event”. That success was achieved by a team lead by Michael Murkin with the support of Lorraine and around 80 generous MG Car Club volunteers working before and over the weekend. Lorraine adds “the awards evening was very well organised and presented - a few celebrities there including two television personalities connected with motoring programmes – **Richard Hammond** and **Edd China**.”

What a wonderful award in MG’s 100<sup>th</sup> year!
