

Welcome to the latest CRB Bulletin. In this bulletin we bring you news from Lorraine Noble - Thompson and Michael Murkin on the Inter-Club International Weekend, and how your CRB can get involved.

Inter-Club International Weekend-28-30 June 2024

With the resting of Silverstone as the MG Car Club's main event this year, we will be having a new event at the Three Counties Show Ground, following the success of the joint event with the collaboration between MG Car Club, TR Register and Triumph Sport Six Club in 2021.

This year will be slightly different than in 2021 as the three above clubs are running an Inter-Club event and inviting other clubs to join. With the excitement around the event building amongst car clubs, over 40 now have pledged their support and attendance. Celebrities from the classic car world are also expressing their support, with the first confirmed appearance being announced for former Bangers and Cash TV personality Sarah Crabtree who will be at the show on Saturday meeting clubs and joining the line-up in the live arena.

Like our previous Silverstone events there will be lots trade stands as well as entertainment (listed below). The event will also be the venue for the popular MG Car Club California Cup Auto Test. Each club will have a designated area where they can have all their club cars together as well as their club gazebo.

All of our Centres, Registers and Branches are welcome, and we are hoping to have the CRBs gazebos 3x3 / 6x3 etc around the perimeter of our allocated area, similar to the village we created at Silverstone in 2023. CRBs will need to bring their own gazebos as the Club will not be providing individual Marquees for CRBs.

All MGs will be parked together, and we would not be able to park as individual registers.

Unlike the Silverstone arrangement where CRBs manning their stand are normally offered a few free, or discounted tickets, unfortunately on this occasion, because of the economics we cannot offer free or discounted tickets at this event. All volunteers manning their stand over the weekend will need to purchase a ticket for one day or the weekend depending on number of days they are attending. As a CRB, you are of course at liberty to sponsor your volunteer team.

Tickets are available online from www.interclubweekend.com make sure you select MG Car Club in the drop-down box when booking and use the MG Car Club discount code when you go to the final booking page of **MGCC24**, so that you can purchase the early bird tickets, which have attractive discounts for members of participating clubs up until the end of February.

We already have a few CRBs wishing to book space, and if your Register is celebrating an anniversary over the weekend, we can look to place these models together in, or near, the main arena as a feature.

If your CRB wishes to attend, please could you confirm your attendance by **23rd February** to lorraine.noble-thompson@mgcc.co.uk so that we can gauge the area needed to accommodate all of us together, and draft a site plan.

Once your confirmation has been received, we can discuss with you the finer requirements that you may need.

Lorraine is looking forward to hearing from you soon with any questions you may have.

Features already announced include:

- Celebrity guests include Sarah Crabtree, Evoke Classics, Bangers & Cash.

More special guests, displays and show attractions are to be announced in the coming weeks. For those seeking the full festival experience, camping is available on-site with a beer tent, entertainment marquee and live music keeping club revellers entertained late into the evening. Alternatively, the area around Worcester and the Malvern Hills has a large number of hotels and B&Bs to suit all budgets.

There is a Dropbox folder, which is accessible by the link below. Within the Dropbox folder are some promotional photos from 2021, Malvern A4 adverts for publications and some graphics and wording which may be useful when promoting the event on your social media pages. The discount code for MG Car Club members (MGCC24) will be published within *Safety Fast!* and is also in the members area of the MG Car Club website.
