V8 Curry evening

On Saturday 10th February we have a V8 Curry at the Lloyds Indian Restaurant in Knowle near Solihull in the West Midlands. It's close to Stoneleigh where the annual MG Show is held the following day. Many members who travel to the show enjoy meeting up for supper the evening before, particularly when staying locally overnight. It's essential you book a place with Nic Houslip as space is limited. See the booking details at www.v8register.net/more.htm

Less information DVLA?

Earlier this year David Worthington contributed an article on the useful information a vehicle owner could obtain from the DVLA using their online

V888 procedure but in October 2017 that had changed so far less information is now available. Now Keith Belcher has found an MOT history check on the GOV.UK website reveals less. Is DVLA changing its policies regarding information release? It seems it has, see our note via the "More" webpage.

Updated Price Guide

Our Pricewatch reports on the V8 Website list all the MGV8s seen for sale or listed for auction by our volunteers, Andy Goves and Keith Belcher. Last month a six monthly update of the useful MGV8 Price Guide was released indicating prices for Condition 1 MGBGTV8s and RV8s show signs of slowing after a long

Exceptional low mileage RV8 sold for just over £26,000 at the CCA auction in December 2017

period of growth. See our Pricewatch reports and updated price guide via the links on the V8 Website homepage or via the "More" webpage.

V8 Shop opens again

Our new online V8 Shop is open again offering sets of workshop

notes on handy Twister memory sticks, MGV8s for sale and wanted adverts, spares for sale or wanted adverts and V8 grille badges plus a range of books and clothing items. One useful feature is a new workshop notes update service available as PDF file downloads with our easy to use V8FileDrop system.
