

### Want to replace your brake servo?

Some years ago with reports of faults with servos leading to a rapid loss of brakes, we ran a campaign to encourage members to replace their brake servo as a preventative measure. Brown & Gammons supported the campaign with a very good offer to supply and fit a new replacement Lockheed servo. Well seeing the feature article in the V8 Newsletter in

the April issue, Brown & Gammons have made a special offer to supply a replacement brake servo for the MGBGT V8 model at a discounted price of £195 plus VAT (£234.00) until the end of April 2022 or while stocks last. With the normal price of £209 plus VAT (£250.80) that's a useful saving. They can of course offer a fitting service too if that is needed.

John Cumming adds he had his RV8 brake cylinder and servo refurbished in May 2020 by a specialist, Past Parts in Bury St Edmunds. John says "they renewed all the rubber parts in the cylinders including the slave cylinder and anodised them in gold passivate. They also anodised the throttle frame on the plenum chamber that holds the throttle cable. The cost was £470 including VAT which was not cheap but worthwhile".

John adds that Past Parts can recondition brake and clutch hydraulic cylinders across the vehicle range, and also their brake hoses and hydraulic cylinder kits are usually available from stock. Examples of their rebuild and return services are for the Brake Master Cylinder, Rear Wheel Cylinder as well as for the Brake Servo mentioned above. See useful links on our "More" webpage.

### V8 Scottish Borders Tour 2022

The next V8 Tour will be from Friday 9th September to Monday 12th September 2022 in the Scottish Borders and is planned to give a taste of some of the attractions in this attractive and interesting area which classic car enthusiasts can enjoy touring. Tour organiser Tony Smith says the tour will be based at a 4 star hotel near Peebles where he stayed recently and found very comfortable.

The tours will include a visit to the Jim Clark Museum. Tony says "he has several supportive sponsors". Further information on the tour and booking arrangements is available via the "More" webpage at

### V8 Marquee at MGLive! 2022

Alongside Clive Wheatley's MGV8 replacement parts stall in the V8 Marquee, V8 members will be able enjoy meeting up with plenty of room to sit and enjoy their refreshments. On Sunday we have the V8 Annual General Meeting at noon in the V8 Marquee when four new volunteers are standing for election to the V8 Committee. The formal notice of the V8 AGM and agenda are available via our "More" webpage

Editor – please note new contact details for our new V8 Scribe at the head of the V8 Column.
