

Churches tour around Watlington

The tour began at St Katherine's church in Chiselhampton, one of the best examples of Georgian church architecture in Oxfordshire with family links to the event organiser Charles Peers. With good weather the tour of six churches was an enjoyable and interesting day ending with a guided tour and tea at Ewelme church with a short organ recital by fellow member Tudur Jones. The Red Lion, an attractive pub in Chalgrove,

provided a warm welcome and an excellent dinner to complete the day. For more photos see: www.v8register.net/more.htm

V8s on tour in Germany

Kai Knickmann reports there was something for everybody at the V8 Tour 2015 to Germany that took place in the first week of

September at Moers in the lower Rhine area. It was a popular tour organised by Brigitte and Walter Kallenberg. Most participants were V8 Register members from the UK, but there was a good following as well from Portugal, Switzerland, France, the Netherlands and Sweden. For a full report see: www.v8register.net/more.htm
