

Factory chrome bumper MGBGTV8 – partially restored project for sale again in about 6 weeks

Advertised on 26th August 2017

Photos show the brake and clutch mastercylinders have been tidied up.

Auction listing on 17th July 2017

Photos showed the brake and clutch master cylinders in a rusty condition.

Alongside (auction listing photo) and above at the top of the page (new advert), show the radiator before and after some tidying in the engine bay by the seller.
